

PAID INTERNSHIP \$14/hr! Summer Reading Initiative

An opportunity to make a difference in the life of a grade school student and build professional experience for your future

Literacy Together is hiring interns as reading tutors for an 8-week summer camp led by Youth Transformed for Life for children in Grades 1 to 5. The campers are primarily youth of color, many of whom would benefit from a champion to inspire them to become strong readers. Literacy Together will offer a paid internship for young adults, age 16 to 23, who will be trained and supported to work as reading tutors. Interns will receive an initial intensive training in an established multi-sensory approach to teaching reading, and the campers will be pre- and post-tested to measure their progress.

Young adults of color are especially encouraged to apply.
